

Scientific Activity Report

Simons Visiting Professors (SVP) Program

The Scientific Activity Report is provided by the Simons Visiting Professor. It is an important part of the SVP program and will be included in the reporting to the Simons Foundation.

It needs include the following items:

- Scientific report (about two pages) on your stay at Oberwolfach and your host institution(s) (research collaboration, colloquia, lectures, public outreach)
- The period you spent at the host institution(s)
- The period you spent at Oberwolfach and the Oberwolfach activity you participated in (workshop, mini-workshop or Arbeitsgemeinschaft/Study Group)
- The following acknowledgement (*):

"This research stay was partially supported by the Simons Foundation and by the Mathematisches Forschungsinstitut Oberwolfach"

(*) *This acknowledgement should also appear on all publications resulting from the Simons Visiting Professorship. Information on these publications is also greatly appreciated.*

Please send the Scientific Activity Report to admin@mfo.de **no later than two weeks** after your stay at Oberwolfach and the host institution(s).

Conditions of support:

- *Candidates are invited participants to one of the following eligible Oberwolfach activities: Workshops, Mini-Workshops, Arbeitsgemeinschaften (study groups).*
- *The SVP candidate is a scientist from outside Europe and the host is a scientist at a European university/institute. Both have agreed on the schedule and on the conditions in advance of the final decision by the Oberwolfach Director.*
- *The visit at the host institute takes place 1-3 weeks before/after the Oberwolfach Workshop. A break of the visit or time distance to the Oberwolfach Workshop up to 5 days is possible. During the stay at the host's university/institute, the SVP can also give talks and lectures at other places.*
- *The SVP sends a short activity report of 1-2 pages to Oberwolfach no later than 2 weeks after ending their visit at Oberwolfach and at the host university. The report contains the following acknowledgement "This research stay was partially supported by the Simons Foundation and by Mathematisches Forschungsinstitut Oberwolfach."*
- *The host provides accommodation at the host's institution and travel expenses within Europe and confirms this to Oberwolfach in advance of the SVP visit. The Simons Foundation expects a matching support of the host institution with an approximate value of 1000-1500 Euro on average, depending on the location and the length of the visit. The host provides a short financial statement confirming the matching support to Oberwolfach no later than 2 weeks after the visit.*
- *Oberwolfach pays a support of 150 Euro per day at the host's institution to the SVP after having received the SVP's activity report and the host's financial statement. Please note that the exact amount received by bank transfer depends on exchange rate and bank fee.*
- *Organizers of Oberwolfach activities can act as a host for a SVP, but not as a SVP themselves.*
