

Oberwolfach Seminars 2010

The Oberwolfach Seminars are organized by leading experts in the field, and address postdocs and Ph.D. students from all over the world. The aim is to introduce the participants to a particular interesting development.

The seminars take place at the Mathematisches Forschungsinstitut Oberwolfach. The number of participants is restricted to 25.

Applications including:

- full name and address, including e-mail address
- short CV, present position, university
- name of supervisor of Ph.D. thesis
- a short summary of previous work and interest

should be sent preferably by e-mail (.ps or .pdf files) to

Prof. Dr. Gert-Martin Greuel
Technische Universität Kaiserslautern
Fachbereich Mathematik
Erwin-Schrödinger-Strasse
67663 Kaiserslautern

mfo@mathematik.uni-kl.de

For details about the programme (short description of the content of the seminars, funding, travel information, etc.) see the homepage of the Institute:

Sponsored by the Carl Friedrich von Siemens Foundation

Representations of Finite Groups: Local Cohomology and Support

Organisers: Dave Benson, Aberdeen
Srikanth Iyengar, Lincoln
Henning Krause, Paderborn

Date: May 23rd - May 29th, 2010

Deadline for Applications: April 1st, 2010

Semidefinite Optimization: Theory, Algorithms and Applications

Organisers: Sanjeev Arora, Princeton
Monique Laurent, Amsterdam
Pablo A. Parrilo, Cambridge MA
Franz Rendl, Klagenfurt
Frank Vallentin, Delft

Date: May 23rd - May 29th, 2010

Deadline for Applications: April 1st, 2010

The Ergodic Theory of Markov Processes

Organisers: Martin Hairer, New York
Jonathan Mattingly, Durham

Date: October 24th - October 30th, 2010

Deadline for Applications: September 1st, 2010

The Willmore Functional

Organisers: Ernst Kuwert, Freiburg
Reiner Schätzle, Tübingen

Date: October 24th - October 30th, 2010

Deadline for Applications: September 1st, 2010

Lipschitz Analysis

Organisers: Mario Bonk, Ann Arbor
Urs Lang, Zürich

Date: November 21st - November 27th, 2010

Deadline for Applications: October 15th, 2010

Mathematics of PDE Constrained Optimization

Organisers: Michael Hintermüller, Berlin
Michael Hinze, Hamburg

Date: November 21st - November 27th, 2010

Deadline for Applications: October 15th, 2010

Mathematisches Forschungsinstitut Oberwolfach
